

Official Policy for WBBCC Social Paddling

Any changes to this policy must be approved only by Club Officers and / or Coaches

A weekly spreadsheet will be maintained by the Social Paddling Coordinator. The spreadsheet will have listed all paddlers that participated during the current season. For each person the spreadsheet will identify waivers signed and dates paid or prepaid to paddle. Steersman will be identified at the top of the list. The Social Paddling Coordinator may designate a person prior to each session to collect monies, check off paddlers, and ensure waivers signed.

Social Paddling *off season* is from the first weekend after Molokai Hoe through March of the upcoming year or the first *Official* club practice.

Paddling fees can be paid with cash, check, or PayPal on the www.waikikibeachboyscanooclub.com website

Paddling fees will be as follows for non-paddlers (a non-paddler is someone that did not pay club dues in the previous season)

\$10 each day and for each paddler, regardless of age.

\$40 per month (this will start in January when we start twice a week)

\$100 per 3 month period (starts the date you paid)

You do not get credit for days missed if paying monthly or quarterly

Paddling fees for club members (a club member is someone that paid club dues in the previous season)

\$10 each day

\$40 per month

\$100 for entire *off season*

You do not get credit for days missed if paying monthly

Paddling fees for Steersman (a steersman is a club member vetted and approved by the Club Officers/Coaches)

\$5 each day

Steersman must make good faith effort to be available when needed for ½ price fees.
